PATRIOT MEMORIAL

📍 12198 Forest Hill Boulevard

🕒 Open Dawn to Dusk

The Patriot Memorial remembers and honors the nearly three thousand people who died in the terrible attacks of September 11, 2001 at the World Trade Center, at the Pentagon, and in a quiet field in Shanksville, Pennsylvania, and honors the over 400 first responders who perished heroically that day performing their sworn duty. The Memorial offers the opportunity for visitors to pause and reflect on the events of 9/11, the humanity of the after effects, and to admire all public safety professionals who have the courage to risk their lives to save others.

ABOUT THE STEEL

Following the 9/11 attacks, World Trade Center artifacts, including Wellington's Patriot Memorial steel, were relocated to New Jersey where they were temporarily housed. Engineers inspected the damage and selected a small portion of steel to include in a federal study. Wellington's steel, known as C-46, was chosen because of its location directly below the plane's impact zone.

C-46 is a three-column exterior section from the South tower of the World Trade Center. Prior to the tower's collapse, C-46 was a window section from the 69th to 71st floors; this area of the tower was occupied by the investment firm Morgan Stanley.

At 9:03 am on September 11, 2001, United Airlines Flight 175 collided into the South tower at 590 miles per hour. Approximately 10,000 gallons of jet fuel immediately ignited a massive fire ball between the 78th and 84th floor. Seven stories below, Wellington's steel sustained moderate fire damage.

Despite the damage, engineers were able to identify C-46 because its stenciled identifier was still visible. This white marking reads 'PONYA 8T <569> B157-68-71.' This indicated that the steel was originally destined for the Port of New York's Authority World Trade Center. Its derrick division was 157, which identified which crane would lift the steel onto the building and the order it would be lifted.

VETERANS MEMORIAL

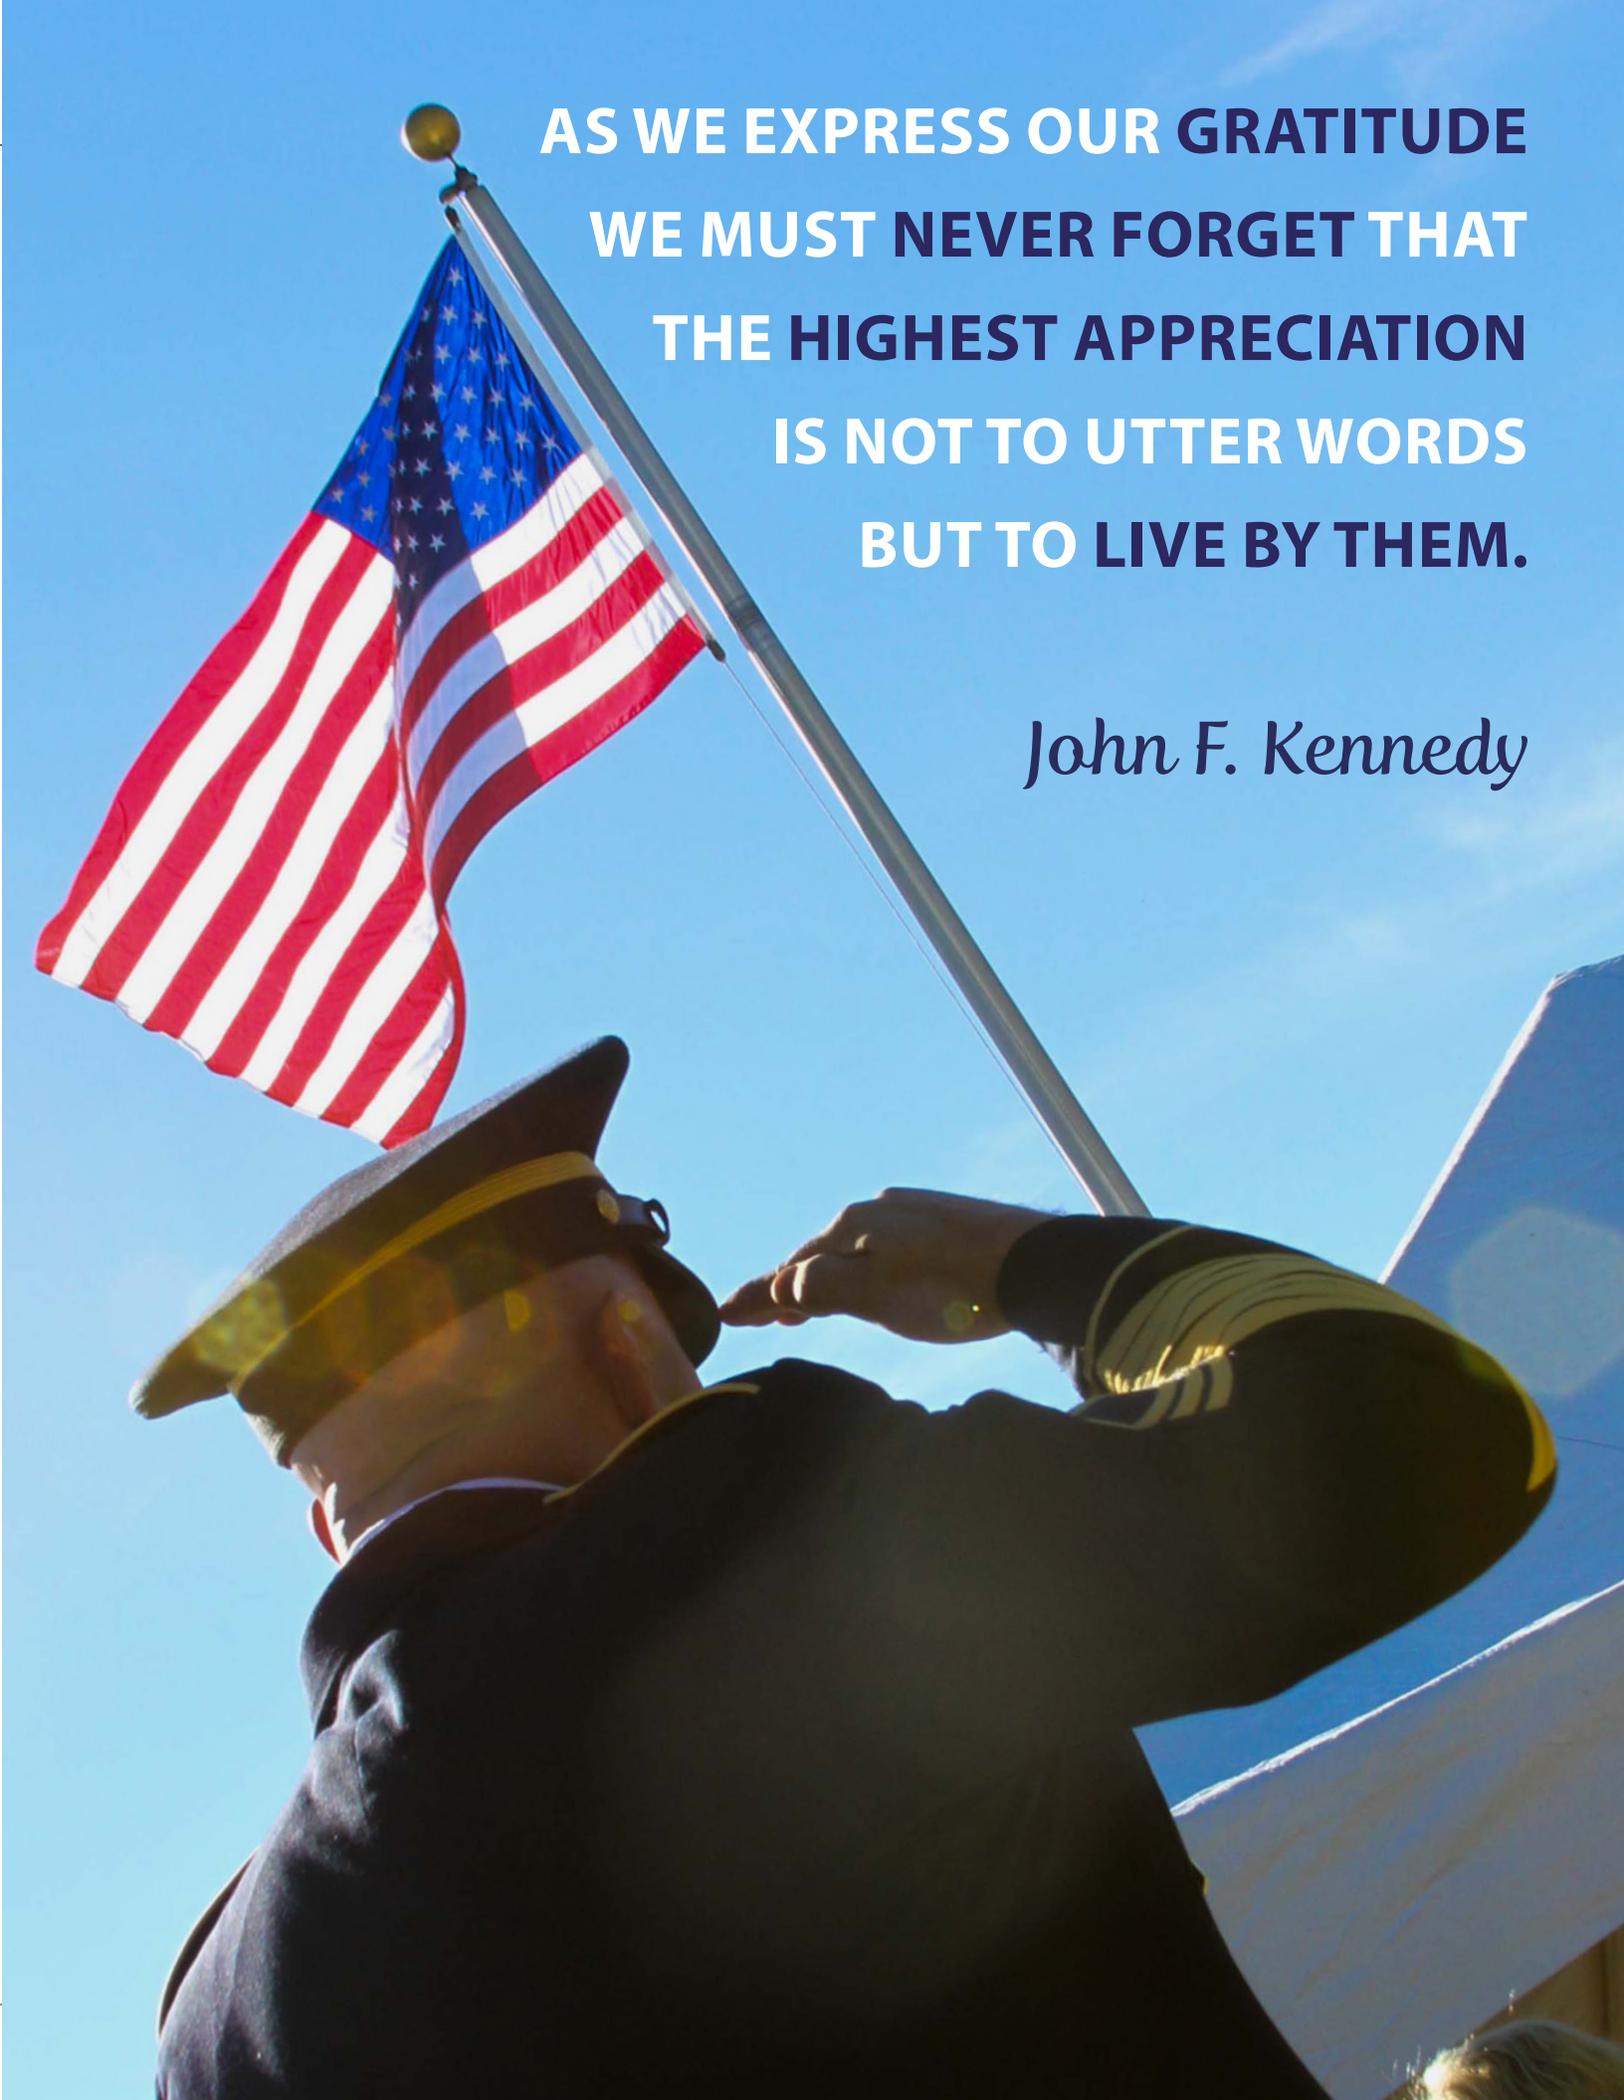

📍 South Shore & Forest Hill Boulevard

🕒 Open Dawn to Dusk

This memorial is dedicated to all veterans who served honorably in the military in wartime or peacetime. Law enforcement and fire rescue personnel are also honored for risking their lives for our safety. Monuments for each war and conflict along with various flags representing the Armed Forces, POW's, Palm Beach County, Wellington and the State of Florida surround a beautiful fountain. The Park celebrates the achievements and spirit of all service men and women.

If you or a loved one is a Veteran and you would like a name added to our Veterans list, please contact Michelle Garvey at (561) 791-4082 or mgarvey@wellingtonfl.gov. Please provide the proper name including title or rank, branch of service, dates of service (years) and conflict(s) served.

**AS WE EXPRESS OUR GRATITUDE
WE MUST NEVER FORGET THAT
THE HIGHEST APPRECIATION
IS NOT TO UTTER WORDS
BUT TO LIVE BY THEM.**

SENIOR SERVICES

Senior Services is a function of the Parks and Recreation Department. Its mission is to ensure that older adults in the Wellington community have a trusted and unbiased place to turn for information, resources, and assistance that meets their unique needs, and enhances their quality of life. We advocate for, and cooperatively work with agencies and organizations to strengthen and create new, and innovative services for our residents.

Questions? Contact Senior Services Specialist, Meridith Tuckwood at (561) 753-2476, or mtuckwood@wellingtonfl.gov.

ONE-ON-ONE ASSISTANCE

Wellington is pleased to provide one-on-one assistance with one of our trained specialists, which aims to connect seniors and caregivers with the resources and services they need. Our specialists are great listeners, and are concerned about your well-being.

With one-on-one assistance, we are able to provide analysis such as the "Benefits Check-Up" through the National Council on Aging, to see what services you may be eligible to receive, and to help connect you with agencies that may be able to assist with your specific needs.

HOME INSPECTIONS

Recent studies have concluded that the majority of Wellington Seniors, and those nearing senior status, desire to "age in place", or continue to live in the homes and apartments they currently occupy. "Aging in Place" describes a senior homeowner, or physically disabled individual's ability to remain comfortably and safely in their home.

Wellington offers home inspections to help provide residents with information, to plan and help implement home modifications that promote safety, mobility, security, and continued functional use.

MONTHLY SENIOR SYMPOSIUMS

Educational opportunities on a variety of subjects are available to our seniors every month. Senior Symposiums allow us to reach our older adult community, and provide them information on important topics.

These FREE educational sessions are delivered in a "lunch and learn" format, and are open to our residents and their caregivers.

Find the schedule online at WellingtonFL.gov/Seniors.

(STAR) SENIOR TRANSPORTATION & RIDES PROGRAM

The Village of Wellington established the Senior Transportation and Rides (STAR) program to assist in meeting the needs of our senior population.

The goal of STAR is to offer safe, affordable transportation to Wellington seniors by providing door-to-door service for qualifying seniors. Funding is provided by the Village of Wellington and the U.S. Department of Housing and Urban Development.

For more information on Senior Services and resources, visit WellingtonFL.gov/Seniors
